Good morning to all.

Christmas 2007

If you have any size groups, such as Sunday school classes, adult groups, civic organizations or any businesses that would like to help, it would be greatly appreciated. We are asking for 1-gallon Ziploc bags filled with candy, snacks, food, notes, or anything nonperishable and non-liquid. Toiletry items should be bagged separately from food items. You can also put (adult) e-mail addresses and return addresses in the bags so that you may receive responses from the troops of which you have helped.

We are trying to get 180,000 bags put together so that we can send them out to our troops for Christmas gifts. In order to get them there on time with the holiday mail, we must have them no later than the end of October, to send to the different bases. The chaplains have goodie bags that they will pass out. These bags are to be shared with four to six other service personnel. Believe me, nothing says, ‘we love you and our prayers are with you’ like a goodie bag from someone you don’t know that is all the way back home at Christmas time. I would also be happy to come and talk to any of your groups wanting to participate. Just remember that we must have all the bags in house by the end of October to get them shipped out in time. Thanks so much for all of your help and support!
